

## Wing PAO

Tue May 13, 2014

Do you like taking photographs?

Were you on your High School newspaper and have always wished you could continue to be that creative?

Do you want to be involved in CAP Missions, being involved in the message of actual live missions?

Do you want to help train other like minded CAP members around the Wing on the best way to capture Cadet and Senior Member activities and training?

If this sounds like you, send us your contact information so we can talk to you about performing the Wing PAO position!

We look forward to hearing from you!

Jon

JONATHAN NIEDFELDT, Colonel, CAP  
Wing Commander  
Utah Wing Civil Air Patrol
